

CORRECTED FISCAL NOTE

HB 2659 - SB 2929

April 26, 2004

SUMMARY OF BILL: Provides that upon the establishment of an automated system for reporting final disposition of criminal cases, clerks of the court shall submit final disposition reports electronically to the Tennessee Bureau of Investigation. Any automated court information system being used or developed on or after July 1, 2005, including but not limited to, the Tennessee Court Information System (TnCIS), shall ensure that an electronic file of final disposition data for criminal cases will be reported to the Tennessee Bureau of Investigation.

ESTIMATED FISCAL IMPACT:

On February 22, we issued a fiscal note on this bill indicating an estimated impact of *an increase in local government expenditures exceeding \$50,000(One-time) and a not significant decrease in local government expenditures.*

The fiscal impact of this bill based upon the receipt of additional information, is estimated to be:

(Corrected Fiscal Note):

Increase Local Govt. Expenditures - Less than \$25,000 One-Time

Decrease Local Govt. Expenditures - Not Significant

Estimate assumes some counties using certain types of software for their court automation system will incur a cost to modify software to accommodate electronic transmission of files to the TBI. Estimate also assumes savings to local government from eliminating mailing paper reports to the TBI.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
